

[YOUR SCHOOL NAME & ADDRESS]

[Date]

Dear Parent or Guardian,

This year I would like to offer my students the possibility of participating in the National French Competition to be held on [date] at [School name].

Our [level] students choosing to participate in this year's *Linguatrivia* will sit a thirty-minute test consisting of 50 multiple-choice questions. Prior to the test we will review a practice test so that students are familiar with the format and expectations. I will also share with them the language specifications expected of them.

The *Linguatrivia* test is developed as a motivational, extracurricular activity for students of French. I believe it helps stimulate interest in the learning of French and identifies and rewards achievement on the part of students.

I would encourage all my students to experience this competition. It is but the first of many similar written examinations that they will face in the future, and the experience alone of participating, I think, has merit. There is no failure nor are there negative consequences to the test. Everyone will receive a certificate to show that they have taken part. What's more, there are prizes for all participants. Those whose scores represent the top scores nationally receive a prestigious prize.

More detailed information about the competition, as well as online practice material can be found on the official website: www.linguatrivia.com (the password for the "Online Practice" section is [password]).

Please note that I must have my list of students and money compiled by [date] in order to meet the required deadline. I would appreciate the prompt return of the registration slip found below if you would like your son or daughter to participate in the *Linguatrivia*.

Please sign and return this form along with the **£ [amount due] payment** in a sealed envelope. This serves as your official registration. Cheques should be made out to **[name of payee]**.

Sincerely,
